PRESENT: Councilmembers Darla Lawson, Gary Feuerbach, Allen Ernst and Tim Roth. Also present were City Administrator Loras Herrig, Police Chief Lynn Schwager, Ast. Chief Dennis (Bud) Schroeder, Tara Roeder, Don Frank, Daryl Parker, Joe Amore, John Hoff and Sara Millhouse

Absent: Councilmember Dan Blitgen

**Compost Location** 

### **BIKE TRAIL COMMITTEE**

Daryl Parker reviewed the progress of the Bike Trail Committee. Phase 1 of the project should be constructed this summer. Before the Committee works on additional grant applications for the next phase the Council needs to commit if they want to financially support the project or not. Most grant applications require 10% matching funds.

The Council determined they would like to have a work session to further discuss the project and what expenses the City might be subject to.

Wednesday, April 25, 2012 at 6:30 p.m. was scheduled for the worksession.

## 12<sup>TH</sup> STREET CONCERNS

Tara Roeder and Don Frank were present to discuss traffic concerns on 12<sup>th</sup> Street. They would like stop signs at the corner of Edward Avenue and 12<sup>th</sup> Street going north and south to slow the traffic down.

Chief Schwager thought the only realistic speed enforcement would be stop signs.

Ernst moved with a second by Feuerbach to direct that an ordinance be prepared to install stop signs at Edward Avenue and 12<sup>th</sup> Street going north and south. Motion carried unanimously.

#### **PARK BANNERS**

Dennis (Bud) Schroeder would like the Council's approval to do a fund raising project for the Parks. He would like to sell 2' X 8' banners that would line the baseball and softball outfield fences. Businesses would pay approximately \$275.00 the first year and \$100.00 each additional

year for advertising on the banners. The revenue would cover the expenses with the excess in a fund for park maintenance.

Lawson moved with a second by Roth to authorize Dennis Schroeder to proceed with the Park Banner Project. Motion carried unanimously.

#### **CONSENT AGENDA**

Feuerbach moved with a second by Ernst to approve the Consent Agenda. Motion carried unanimously.

#### **COMPOST SITE**

Mayor Roling informed the Council that he had received some complaints about the smell from the composting material at the new location. The City is required to provide a location for compost material and the Felderman Park location is a place the City owns that is as far from residents as possible. It would be difficult and expensive to obtain a different location.
